Practice and Dissemination activities of architectural education program with a focus on the “Kenchiku-Taiso” workshop

YONEYAMA Isamu, TANAKA Motoko, ONISHI Masaki, TAKAHASHI Hidehisa

Kenchiku-Taiso is an educational program that mimics the form of the architecture with own body. In this workshop, you can learn about the architecture while moving the body. We have been active to tell the attraction and utility of Kenchiku-Taiso to people all over the world.
